TECHNICAL SHEET

TYPE 452 - Cable Wall Cleaner - Hinged

Type 452 Cable Wall Cleaner with its continuous, interlocking and overlapping loop of cable is designed to remove excess wall filter cake hereby improving bonding of cement to formation.

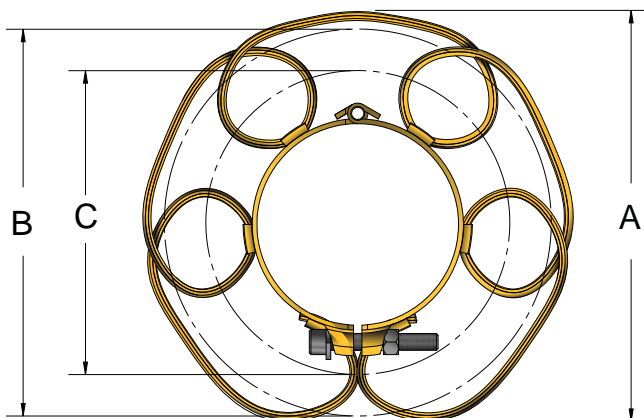

Performance Features:

- Removes excess filter cake, gelled mud, and bit cuttings from wellbore.
- Additional aid in preparing wellbore for cement job.
- While used in most types of well designs, optimum performance achieved when casing string is reciprocated.
- Nut and bolt assembly eliminates need for stop collars.
- Hinged design for ease of installation.

Options:

- Manufactured in all common casing sizes

Size	"A" OD	"B" MAX. Hole Size	"C" MIN. Hole Size
4-1/2"	9.125	8.500	6.500
5"	9.625	9.000	7.000
5-1/2"	10.125	9.500	7.500
6-5/8"	11.251	10.625	8.625
7"	11.625	11.000	9.000
7-5/8"	12.250	11.625	9.625
8-5/8"	13.250	12.625	10.625
9-5/8"	14.250	13.625	11.625
10-3/4"	15.375	14.750	12.75
11-3/4"	17.500	16.870	13.750
13-3/8"	18.000	17.375	15.375
